**LOUISA COUNTY RECEIVES DISTINGUISHED BUDGET PRESENTATION
AWARD**

LOUISA, VIRGINIA – The County of Louisa is pleased to announce that it is a recipient of the Government Finance Officers Association’s (GFOA) Distinguished Budget Presentation Award for their Fiscal Year 2018 budget.

The Government Finance Officers Association is a major professional association serving the needs of nearly 19,000 appointed and elected local, state, and provincial-level government officials and other financial practitioners. It provides top quality publications, training programs, services, and products designed to enhance the skills and performance of those responsible for government finance policy management. The GFOA’s Distinguished Budget Presentation Awards Program is the only national awards program in governmental budgeting.

Along with the award, a Certificate of Recognition for Budget Presentation is presented to the individual or department primarily responsible for having achieved the award. The certificate’s recipient is Ms. Wanda Colvin, Director of Finance.

“Each year, we strive to achieve and maintain an appropriate standard of excellence in financial reporting,” said County Administrator Christian Goodwin. “This award illustrates the County’s strong commitment to comprehensive budgeting and advance planning.”

Board of Supervisors Chairman and Finance Committee member Troy Wade stated, “This is an outstanding honor for any government, and I am proud of Ms. Colvin and staff for upholding the highest standards of governmental budgeting.”
