

## **Louisa County Water Authority – Truck Drivers – PART TIME**

The Louisa County Water Authority is currently conducting a recruitment and selection process for Part-Time Truck Driver opportunities. Drivers will operate on an irregular schedule filling a septic tank truck at one wastewater treatment plant, then driving it and emptying it at another plant several times a day. At both locations drivers will be required to hook up a host to a pipe and turn on the pump, all required training will be provided. Drivers will also be required to perform vehicle detailing such as washing and vacuuming the equipment.

Minimum requirements include:

- Possession of a valid Virginia Drivers license;
- Possession of a Commercial Drivers License with a Tanker and Airbrake endorsement;
- Safe driving record consistent with DMV standards;
- Must submit to a criminal background check and drug testing consistent with the Louisa County Water Authority Drug-Free Workplace Policy.
- Must be 21 years of age.

In order to be considered candidates must submit completed applications to the Louisa County Water Authority Human Resources Department.
