**LOUISA COUNTY RECEIVES DISTINGUISHED BUDGET PRESENTATION AWARD**

LOUISA, VIRGINIA – The County of Louisa is pleased to announce that it is a recipient of the Government Finance Officers Association’s (GFOA) Distinguished Budget Presentation Award for their Fiscal Year 2020 budget.

The Government Finance Officers Association is a major professional association serving the needs of nearly 19,000 appointed and elected local, state, and provincial-level government officials and other financial practitioners. It provides top quality publications, training programs, services, and products designed to enhance the skills and performance of those responsible for government finance policy management. The GFOA’s Distinguished Budget Presentation Awards Program is the only national awards program in governmental budgeting.

“I congratulate Wanda Colvin and her capable staff in Finance for achieving the Government Finance Officers Association’s Distinguished Budget presentation award again this year, said County Administrator Christian Goodwin. “This involved a comprehensive rework of our budget documents and the final product is intended to improve transparency for our citizens.”

Along with the award, a Certificate of Recognition for Budget Presentation is presented to the individual or department primarily responsible for having achieved the award. The certificate’s recipient is Ms. Wanda Colvin, Director of Finance.

Board of Supervisors Chairman R.T. Williams, Jr. stated, “The Louisa County Finance Department is committed to following to the highest standards in governmental budget preparation. I am proud of our financial team and commend them on this well-deserved recognition.”
